34411 Luminator Drivers Specification Sheet

PRODUCT DESCRIPTION:

Pigskin gloves have excellent abrasion resistance. Offers greatest breathability because of the porous nature of the hide and becomes softer with use. Inherently retains natural softness after exposure to water. The 34411 features; premium grade black pigskin, Thermosock® lined, wing thumb, orange mesh back, lime and retro reflective material, knit wrist and shirred elastic back.

FEATURES:

■ Black Grain Pigskin

- Soft drying and flexible, pigskin withstands moisture without stiffening. Pigskin also has excellent abrasion resistance and durability.

■ Orange Mesh Back with Lime Retro-Reflective Material

- Keeps hands cool and well seen in low visibility environments

■ Knit Wrist

- Allows comfortable secure fit

■ Wing Thumb

- An angled thumb that provides increased flexibility and does not contain a seam between the palm and thumb. This makes it durable and comfortable for extended wear.

APPLICATIONS:

TSA, Construction, Forestry
