#### **PRODUCT DESCRIPTION:**

MCR Safety has designed a broad line of Hi-Visibility Products that will allow you to find the right product for your application. The CLELC high visibility pant will make you stand out in the crowd. These elastic waist pants meet ANSI Class E standards and are made of a comfortable polyester material. The upper pant features solid material for strength and durability while the lower pant is made of mesh fabric that is breathable and will help keep you cooler on warm days. Other features include a drawstring waist with pull stop, two reach through front pockets, two rear flap pockets, and expandable zippered ankle gussets. Each leg features dual 2" silver reflective stripes trimmed in orange for additional hi-visibility. Stay safe and be seen in Luminator hi-visibility products.
