

ProGlo®

25ft 12/3 SJTW -40°F Coldweather Extension Cords with "CGM"

This heavy duty coldweather PVC cord is equipped with our patented "CGM" Continuous Ground Monitoring connector. This latest safety feature identifies that there is ground continuity in a circuit when the green light turns on. In addition, the lighted amber male plug indicates there is power flowing through the cord.

FEATURES

- Manufactured to 12/3 AWG (American Wire Gauge) specifications
- Each of the three conductors contain 65 strands of 30 AWG 100% copper wire
- All copper is soft drawn & annealed for maximum flexibility under full load
- Our Pro Glo® high visibility coldweather PVC insulation and jacket guarantees working flexibility in temperatures down to -40°F
- SJTW outside jacket is rated at 300 volts
- We use heavy duty molded on 15A-125V NEMA 5-15 plugs & connectors that will not to pull away from the cord body
- Lighted amber Power Check plug
- Lighted green Ground Check connector
- Jacket colors: Orange, Pink, Green, Blue, Red, Purple, Black and Yellow
- Lengths: 25ft, 50ft, & 100ft
- UL Listed and cUL Approved for Canada
