VT38BP

1 pc Bib

Specification Sheet

PRODUCT DESCRIPTION:

This Premium High-Visibility Insulated Vortex bib rain pant is made of the highest quality Rip-stop polyester / polyurethane material for ruggedness and long wear life. It exceeds ANSI Class E requirements to ensure you are seen in low light conditions and complex background. It is also loaded with many other features to make your work day as comfortable as you need it to be. It is constructed with a polyester quilted liner that will keep you warm in temperatures as low as -27° F. Rugged full elastic suspenders feature easy release buckles for quicker changing. A full zip front bib gusset and zippered ankle gussets open to allow for easy on/off access. Other features include left and right front reach through pockets, two thigh cargo pocket, two back pockets, and one hammer loop on left leg. This fluorescent lime/black pant features dual 2 inch silver reflective stripes trimmed in orange. Black shading on lower leg will hide soiling. Stay out of the cold while in the Vortex.
