

Solutions for a Safer Earth®

BIO 101

Bio-Zyme Cleaner/Deodorizer

Limpiador/Desodorizador Enzimático

- Concentrated • Biodegradable
- Light, Pleasant Fragrance • Cleans & Deodorizes
- Environmentally Responsible Ingredients

Technical Data & Training Sheet

PRODUCT DESCRIPTION:

BIO 101 is formulated with environmentally preferred ingredients. It is a no-rinse daily cleaner and deodorizer that contains a High Activity Bacteria. These highly specialized bacterial strains break down the grease, grime, uric salts and other organics that provide a natural breeding ground for unwanted insects and other pests. Regular application ensures continuous deep cleaning and deodorization whenever a source of soil is present.

USES:

Suitable for use on any porous surface (vinyl composition, ceramic & quarry tile, terrazzo, concrete, etc.), **BIO 101** easily penetrates surface soil to remove the grease and grime below, creating a clean, slip-free floor. Recommended for use in kitchens, food service areas, restrooms, hospitals, nursing homes, hotels, motels and schools.

ADVANTAGES:

Formulated with biodegradable and environmentally responsible ingredients. Concentrated for light to heavy soil removal.

SPECIFICATIONS:

pH: 6.5-7.5
Color: Light Yellow
Solubility in Water: Complete
Odor: Mint Fragrance
Flash Point: N/A
Viscosity: Water thin liquid
Weight per Gallon: 8.77 Lbs.
